Chief, Special Reports Division 21 December 1948

Chief, FBIB

Commendation

On 21 December 1948, General Wright, Deputy Director of CIA, telephoned to say that we could discontinue the special report currently being prepared for General Marras.

General Wright added that both he and General Marras thought that this was a very fine report and wanted the personnel responsible for its preparation to be made aware of their appreciation.

I add my own appreciation and commendation to the Special Reports Division for this splendid service.
